

Enrique Velasco Jimenez

WEB DEVELOPER, PROGRAMMER AND TELEMATICS ENGINEER (STUDENT)

Profile

I am a young man with a passion for technology and a lover of innovation who is looking for learning new tools in order to create and improve projects that help transcend the world in problems that it presents such as insecurity, disease, education and much more. I am excited to put all my effort to help others.

Employment History

FREELANCER WEB DEVELOPER, Mexico City

JANUARY 2019 — FEBRUARY 2021

I have worked as a freelance web developer and software developer making projects oriented to web pages, landing pages, administration and management systems.

Some projects:

- 1.- Promotional Landing Page for a company that offers preparation courses. In this case for the IPN preparation exam 2021.
- 2.- Promotional Landing Page for the store business Muppet Food MTY (Monterrey).

INDEPENDENT TEACHER ADVISOR, State of Mexico

JANUARY 2020 — FEBRUARY 2021

I have worked as an independent teacher giving personal classes at the high school and university level in the areas of physics and mathematics. Before the pandemic, I worked as a physics course teacher at High School 907 Reform Laws, Chimalhuacán Mexico.
